

MICHELE KENNETT

POSITION OF INTEREST NCURA CHAIR-ELECT

Personal Statement

Accomplished, confident Research Administrator dedicated to advancing the research mission with over 20 years of experience in research administration.

Adept in assessing and understanding the unique needs of a variety of stakeholders in the research enterprise. Capable of adapting to changes in the academic environment and in creating background operational processes which are critical to the success of the academic research enterprise.

I look forward to furthering the goals of NCURA and Region IV of advancing the field of research administration and fostering a professional, collegial, respected, community.
